Principal's Corner

Dear Johnson Families:

Thank you for all your support through our Raise Craze fundraiser and our spring book fair. Thank you to all families for helping us stay in-person. I know it is very difficult to figure out if a child should stay home due to illness in these times. It is a big commitment, but this commitment has allowed us to stay in-person for over 6 weeks. Thank you all!

March brings our time to plan for next school year. Thank you to all who have completed your intentions for next school year. Based on what we have gathered from you and our current enrollment for next school year, we will have the following grade level configurations. Kindergarten through third grade will most likely have 2 classrooms each. Fourth and fifth grade will most likely be three classrooms each. Please keep in mind, no final decisions have been made as we are still in our budget processes to make these decisions. We may also have fluctuating enrollment which could cause us to add a teacher. We use an interest-based solutions model to make decisions about how we will use our allocated budget. Our School Accountability and Advisory Committee (meets March 10th) gives input on what interests our community might have, and our shared leadership team (meets March 11th) gives input from our staff. We then create a balanced budget that meets as many interests as possible. Our plan goes to our district leadership for approval. Between now and then, many factors may change.

We are also looking forward to our spring conferences. Unlike our fall conferences, we do not necessarily conference with all families. We conduct spring conferences when a family requests one or the teacher reaches out for a conference. Please connect with your child's teacher if you would like a spring conference. Our shared leadership team will set dates for our spring conferences, and they will happen sometime after our spring break.

In closing, thank you for all you do for Johnson and your children. You make Johnson a great place to be.

Sincerely,

Georgie Dawson, Principal

Persevering Together (March 2021)

Last week and lucky for me, I just so happened to be in Ms. Funk's 2nd grade class when the Mars Rover, aptly named "Perseverance", completed its 300 million-mile journey and touched down successfully on the red planet next door to us. Ms. Funk and her students all cheered and clapped for joy together the moment the mission was safely called a success. The students could sense that they were witnessing something special in American space exploration history, and it was a delight to see all their beaming faces filled with wonder and curiosity, which is incidentally, the name of another Mars Rover!

Teaching children to practice **perseverance** in learning is so important, especially in our techno-world of instant results and fast access to information. Students can grow frustrated or bored with the patience required to build academic, creative, social, and physical skills for life in the 21st century. Students can also become disheartened by the more demanding concepts and challenging tasks, wondering if they are too far out of reach. Therefore, if we help students build the skills of perseverance, they will be able to keep trying and believing, and ultimately go, as Buzz Lightyear once stated, "to infinity... and beyond!".

For the Rover to be successful, NASA wisely created a timeline of goals (over several years) to plan, build, launch, travel, land, and communicate its discoveries back to Earth. Experts in the field of education highlight that this kind of step-by-step goal setting is an excellent way to help students develop perseverance at school. Goals and plans that are made by students and supported by parents/guardians who also model achieving their own goals, help to create momentum, encouragement, and celebrations for the long and exciting journey of growth and discovery ahead. So, let's all get buckled in and practice perseverance to follow and reach our dreams.

On Friday, February 26th, we celebrated school spirit and student success with our latest Thunderbird PRIDE Assembly Video. Principal Dawson announced the Thunderbird PRIDE students of the month, Specials teachers presented their golden awards, our amazing team of para professionals decided which classes were worthy of the golden cup and big trophy, our School Resource Officer took time out of his busy day to give an important message to the students, and I announced the winners of the Wall of Stars Leadership challenge. What a Thunderbird assembly for our Johnson students, who are truly out of this world!

Staff Encouragement

I want to give a huge thank you to Ms, Kathi and Ms, Karen in the preschool classroom. They go above and beyond by bundling up my little polar bear before pick up, knowing that we often walk home through the snow in the afternoons! It's so easy to pop her in the sled when she's got all her gear on and is ready to go! They do such an amazing job paying attention to the needs and habits of each individual family.

Also, thank you Mr. K. I don't know who you are, but my 3 year old thinks you are the coolest and tallest person ever!! :)

News from PE Land

Hi Thunderbirds,

We are coming down to the end of the “**Schools on The Move Challenge**”. Our new normal circumstances have shifted the responsibility of starting the challenge and submitting your log to adults in the home and tech savvy students. Boy, do I need one of those now! The paper copy is available and adding your daily responses online is an option. Best of all, *it is not too late to fill in those days from earlier in the month*. Many of the healthy habits are part of every kid’s routine. I encourage you to download a copy and fill it in, next week an email will go out with the link to submit your log. It would be great to have every student submit their log and to show everyone how really healthy we all are!

Meanwhile, I hope that the two - week specials rotation is working out for you. PE has been more enriching in many ways.

Jim Rumbold, PE Teacher – Contact: jrumbold@psdschools.org

Encouragement Matters

During these difficult times, hearing positive feedback about how we are doing means so much to our staff. If you have something you would like to share to encourage them, please send an email to Tina Crewdson (tcrewds@psdschools.org). I will share your comments in our school newsletters and the PSD Communications office.

Join us for the next JPTO General Membership Meeting

JPTO General Membership meetings will generally be held on the last Monday of each month from 6:30 p.m. – 7:30 p.m. **Our next meeting will be held virtually on Microsoft Teams on March 22 at 6:30 p.m.** All Johnson parents and guardians are welcome.

If you would like a link to the meeting or have any questions and ideas on how to better serve our Johnson community please email JPTO80526@gmail.com. As always, you do not have to be on the Board to attend these meetings and have a say in what goes on. You can attend PTO meetings and be a voting member without having an official role.

Meet our JPTO Officers:

- President Andrea Evans
- Vice-President Wednesday Melssen-Vogel
- Treasurers Amelia Olschner
- Secretary Melissa Bokovitz
- Events and Fundraising Kelly Steinway and Shalese Payton

What exactly does JPTO do?

JPTO has previously sponsored events such as the Fund Run, Family Movie Night, Fall and Spring Book Fairs, Family Fun Nights, and Original Works just to name a few! This year we are looking at other creative ways we can safely provide school spirit events for our Johnson community. We would love your input!

Through fundraising JPTO has been able to purchase items for our school, support our amazing staff and community by providing appreciation weeks, spirit gear, and funding staff request for various needs. This year we will strive to continue this tradition to provide learning tools and experiences that teachers and students can benefit from to meet the moment, whether we are learning virtually or in the building at any point throughout the school year.

This year's needs may look different than previous years. We will continue to support our staff in ways that will keep your students safe and learning throughout the year.

Check out our new website <http://johnsonpto.weebly.com> and our Community Events page on Facebook <https://www.facebook.com/JohnsonElementaryCommunityPage/>

School arrival and dismissal process

School hours for In-person learning: 8:50 a.m. – 3:28 p.m.

Students can arrive to campus beginning at 8:35 a.m. Students should report directly to their outer classroom doors. No early arrivals and no playing or gathering before school. **No students or family members should come through our front doors.** We have socially distanced dots/markers painted outside each door. Each child should wait (using social distancing dots) to be checked in with the teacher. Once students are checked in, they will wash hands and get settled at their learning space.

At dismissal, we will use a staggered dismissal process that supports social distancing. If you normally pick your child up, please allow for extra time for this staggered process. All students need to be picked up promptly.

What does mealtime look like?

School meals are free to all children for the remainder of this school year.

Sack breakfast are available for pick-up at the cafeteria door on the south east corner of the school near our pre-school classrooms. **Breakfast is served from 8:35 – 8:50 a.m.** **If your student arrives after 8:50 am, make sure he/she has had breakfast.** Students will pick up their breakfast and go to their classroom outer door where they will wait to be checked in. They will then follow the handwashing procedures, then eat breakfast at their space. Once done eating, they will clean up their area and get it ready for sanitizing. Staff will help each student sanitize spaces.

Students eat lunch and snack in their classrooms, except for kindergarten and 2nd grade students who will eat with social distancing and plexiglass dividers, in the school cafeteria. Two sack lunch choices will be offered each day. Sack lunches will be delivered to classrooms and the students eating in the cafeteria. We will follow a sanitizing routine before and after eating times. Students will wash their hands before and after eating. Each child's space will be sanitized before and after eating times. We also plan to eat outdoors when the weather permits. During eating times, students will be socially distanced and have a mask break.

If you send your child with a lunch or snack, make sure your child can independently open what you have provided.

Lunch schedule by grade

- Kindergarten 11:25 – 11:50 a.m.
- 1st Grade 11:40 a.m. – 12:00 p.m.
- 2nd Grade 11:55 a.m. – 12:15 p.m.
