Principal's Corner

Dear Johnson Families:

As always, thank you for your incredible support. As I write this letter, we are in the midst of preparing for our outdoor book fair, a virtual talent show, and other special events to wrap up the 2020-21 school year. With the planning of these events, there is hope in the air and a sense of optimism for the future.

At the opening of May, I usually reflect on the amazing events of April. Thank you to all who participated in parent-teacher conferences. Thank you to our amazing School Accountability and Advisory Committee for their advisement on our budget decisions. Our staffing plan was approved at the district level. Thank you to our JPTO and all they do to support Johnson. Thank you to all those who have found creative ways to volunteer and continue to support Johnson.

The first week of May, we have our Teacher Appreciation week. The theme of this week is to celebrate our ROCK STARS. It is amazing what our teachers have accomplished this past year and how they have risen to the many challenges presented. Thank you to our JPTO for helping Mr. Hughes and I celebrate our staff. We also have our book fair this first week. I hope each family has found time to come visit the book fair. Thank you to our parent group for staying committed to important events like this one.

May has many other fun, end-of-year events. We have a modified ECO week experience for our 5th grade, field days (during normal PE classes), meet your new grade level, talent show, and our 5th grade commencement. I am sure I

have missed something, so please make sure you check the calendar published later in this newsletter. We hope to finish the 2020-21 school year strong.

We do have staff changes for all to be aware. Mrs. Wilson and Mrs. Sprengle will not be returning to Johnson next year. It is important to them that families know how much they have meant to them over the years. They leave with hearts full of love for the Johnson community. After 13 years, Mrs. Wilson is looking forward to her next chapter. Mrs. Sprengle has enjoyed her 5 years at Johnson and is looking forward to focusing on her family and going to graduate school to pursue her master's degree. We are grateful to both Ms. Walker (3rd Grade) and Ms. Troutman (1st Grade) for stepping in during this challenging year. They both have left their mark on Johnson, and they will be missed. Ms. Semadeni has taken an integrated services position at another PSD school. Congratulations Ms. Semadeni! Ms. Massey will also be leaving us to focus on her family. We are grateful to each, and we wish them all well. As we bring on new staff where we can, we will make announcements when appropriate. As we plan for the opening of our 2021-22 school year, I will send information as we get it and figure out what it will mean for our Johnson families.

I opened this letter with thanking you for your support. We continue to be truly amazed by our families and how you have each risen to the challenge of schooling, parenting, working, etc during a global pandemic. As we head into the last stretch of this year, thank you for all you do in support of your children and their education. Thank you for making Johnson a great place to be.

Best,

Georgianna Dawson, principal

Finish Strong

Recently, our awesome PE Teacher, Mr. Rumbold, has been preparing 4th & 5th grade students for an upcoming district track meet for elementary schools (see more information about the meet below). PE classes have moved outside to practice running the 50M, 75M, 100M and 200M races, and I have enjoyed listening to Mr. Rumbold shout out various motivational phrases to our Thunderbirds, like, "C'mon!", "Finish Strong!", and "Keep pumping those arms and legs all the way to the end!". These track-themed words of encouragement from Mr. Rumbold are also helpful words for all of us at this time of the year. The end of the semester is now in clear site, and how important it is to stay focused, keep our brains and attitudes pumping, and FINISH STRONG!

Thunderbird PRIDE Assembly Video

Last week, a first-grade student said to me, "Mr. Hughes, now how many days until the Thunderbird PRIDE Assembly?". It was wonderful to know that he was so excited about our next school assembly (via video). We will show the assembly to students on Friday, May 7th, and then we will post it to our Johnson Home page under the TTV link. We hope that all families will watch the assembly as we have so much to celebrate, and Dr. Craig Woodall (Principal at Rocky Mountain High School) will be our featured guest.

Spring Assessments

Both students and staff did a wonderful job completing and administering the state testing (CMAS for grades 3-5) and DIBELS testing (for all grades). We now just have one more round of the Measures of Academic Progress (Spring MAPs) for students in grades 2-5. These important assessments will start May 10th. If you have any questions, please do not hesitate to reach out to me.

May 26 last day of school for 2020-2021

To close out the 2020-21 school year, the last day of school – May 26 – is a half day for students. Johnson will release at 12:28 p.m. No lunch will be served on that day. The last day for meals to be provided to the community will be May 25. [View the school calendar, updated March 2021 >>](#)

Tech Return/Inventory

All student devices/technology, including MiFis, will be turned in for inventory. All PSD owned technology must be returned to your assigned PSD location.

- If your student no longer requires a MiFi to ensure reliable internet for homework, or a shift to remote learning, please return it, with the power cord to the Johnson Media Center ASAP.
- Tech equipment such as borrowed mice, headphones, laptops, and MiFi will all be due Friday, May 21, 2021
- Always include the power cords!
- PSDV students should return equipment to the school from which they checked it out. Johnson's students can return the equipment to the Johnson office.
- We will return any equipment to its home school if it comes to Johnson.
- Return all equipment. If you are attending summer school, new equipment will be checked out to you then.
- Teachers, return the equipment that comes from home to the library just like returned books. I will come around and pick them up from your return baskets in the hallway.

School arrival and dismissal process

School hours for In-person learning: 8:50 a.m. – 3:28 p.m.

Students can arrive to campus beginning at 8:35 a.m. Students should report directly to their outer classroom doors. No early arrivals and no playing or gathering before school. **No students or family members should come through our front doors.** We have socially distanced dots/markers painted outside each door. Each child should wait (using social distancing dots) to be checked in with the teacher. Once students are checked in, they will wash hands and get settled at their learning space.

At dismissal, we will use a staggered dismissal process that supports social distancing. If you normally pick your child up, please allow for extra time for this staggered process. All students need to be picked up promptly.

Emergency contact information

Now, more than ever, it is very important that we have up to date emergency contact information for each student. Please be sure that we have current phone numbers for both parents/guardian, and additional emergency contacts in case we are unable to reach the parent/guardian. Parents can view and update information on file for your child through [ParentVUE](#). If you are unable to access ParentVUE – please call our office (970-488-5000) to check the information we have on file for your child.

Keep Schools Open

Now that all students are in Phase 4 in-person learning, we need help from every member of the PSD community to [Keep Schools Open](#) for the rest of the 2020-21 school year. Wear a mask, wash your hands and follow PSD's [health and safety](#) and [COVID-19 protocols](#). Practicing the 3W's is critical to keep experiential learning like woodworking in a school's workshop. Demonstrations are critical – students and teachers limit areas of contact and maximize social distancing. We can make more and Keep Building Open.

PSD still requiring masks, other PPE and health protocols

We continue to celebrate the significant number of PSD employees who have received one or both doses of the COVID-19 vaccine. Some in the community have asked whether this will impact the district's current safety practices. For the safety of staff and students, PSD is NOT relaxing mask and PPE protocols at this time. The health department continues to emphasize the importance of maintaining critical, preventative health safety practices: wearing masks, maximizing social distancing and washing hands.

The state's dial is sunseting. What does that mean?

The Colorado Department of Public Health and Environment's COVID-19 dial framework is now gone and pandemic response has shifted to local health departments. What does this mean? PSD will continue to follow its health protocols, including wearing masks, which are still required by the county's new order. LCDHE has also increased the number of attendees at events. [Read LCHDE's update here >>](#)

When a school reaches the 1% threshold

When a school has a COVID-19 case percentage that is at or over 1%, district leadership will monitor the location closely and consult with school administrators to determine whether a partial- or whole-school temporary closure is necessary. There are NOT hard criteria that will result automatically in a partial or full closure; rather, various factors are considered and dependent upon the unique circumstances of the school.

PSD no longer taking busing requests as of April 16

PSD has been reviewing and approving some busing requests for students in need during Phase 4 in-person learning. To allow the Transportation Department time to plan bus routes for summer programming and fall 2021, the district is no longer accepting requests for spring 2021 busing, as of April 16.
