## Principal's Corner

Dear Johnson Families:

Welcome to November! We had a busy October with a return to as much normalcy as possible. Some celebrations from October are:

1. Meeting our Raise Craze goals both in acts of kindness AND funds for school programming.
2. Students completed Original Works Projects sponsored by our JPTO, classroom teachers, and Ms. O'Connor.
3. We completed Parent-Teacher Conferences. Many of our classrooms are close to 100% meeting with all families. If you have not attended a parent-teacher conference, please reach out to your child's teacher.
4. Our Book Fair sponsored by our JPTO was a huge success. At the writing of this newsletter, we were close to meeting our goal to have a BOGO in the spring!

November is traditionally a time of gratitude and time with family. We will do many of our usual traditions, and these will be adjusted for our current county expectations. Please check the rest of our newsletter for all we have planned.

We do need your help in one area – school attendance. School attendance is important for each child's development. While we appreciate when families keep sick children home, we are noticing non-attendance for reasons unrelated to illness. While the reasons vary, each day a child is out is lost learning. We are working diligently to address the lost learning from these past months out due to a pandemic, and we need each day with your children if we hope to make up for this lost time. We hope you will prioritize school attendance daily. Again, if you child is sick, they do need to stay home.

In closing, thank you for all you do for our school and for your children.

November 2021

### Bingo, Bingo, Bingo!

I had very exciting news for Johnson students on our latest [Thunderbird PRIDE Assembly video](#). In my office, 144 stars have been numbered and placed in rows on my back wall, and when students are caught leading the way at school, they receive a special leadership token (this year it's a sunny-side-up egg!) and they get to spin a wheel of numbers to determine which number star their name will be featured on my wall. When we get 12 names fill a row, those lucky students win a special prize. Well, here's the exciting news: this time, after all the names went up, we had **three bingos!** Congratulations to the lucky (and deserving) students who took home a 40-million-year-old Thunder Egg!

### November's New Leadership Challenge

Last month, our challenge to students was on the leadership quality of caring for others. It was a joy to witness so many acts of kindness happening throughout our school and in the community. Johnson students really embraced what it means to make a difference in the world. For November, our leadership focus is RESPONSIBILITY. Please take some time with your child to share about what "responsibility" means to you and how you practice this leadership quality in your life.

I'm looking forward to another month of egg-cellent leadership! Go Thunderbirds.

## News from PE Land

Here it is, Running Club is over, it's almost November and we are still in a drought, but without the heat. Sprinklers for our fields are turned off and the grass is already looking dry. **DON'T BE LIKE THE GRASS, DRINK WATER!!!** Yes, plain old water is still important. Don't wait until you are tired or have a headache, our "insides" need to stay hydrated.

Speaking of dry fields, grades 2-5 will be outside as much as possible during these beautiful, dry days and, also if it is cold. Students should bring gloves or mittens to PE. Kinder and first grade are still mostly indoors.

**IMPORTANT:** If you are a registered volunteer that is good with ropes, tying knots, helping kids get into a climbing harness and belaying, Climbing Club needs you! **If we get enough volunteers our meeting time will be** Friday mornings, 7:45- 8:30 a.m. **If you can be a regular volunteer through Spring Break**, please contact Jim Rumbold [jrumbold@psdschools.org](mailto:jrumbold@psdschools.org)

Running Club finished on Monday, October 25 and the grade level leaders were:

- ⇒ **Isabelle Riddick** – K
- ⇒ **Connor Landers** – 1<sup>st</sup>
- ⇒ **Lawson Champine** – 2<sup>nd</sup>
- ⇒ **Henry Whitelock** – 3<sup>rd</sup>
- ⇒ **Max Riddick** – 4<sup>th</sup>
- ⇒ **Colby Bass** – 5<sup>th</sup>

Many thanks to **Cameron Patrick** who helped with sticks, beads, cones, and clipboards. Running Club will start back up on March 21, 2022.

If you have photos of your little Thunderbird participating in sports or healthy activities (hiking, biking, raking leaves or snow shoveling) please send to [jrumbold@psdschools.org](mailto:jrumbold@psdschools.org). I post these on the "Beyond the Nest" bulletin board

## In Case you Missed it & Monthly Reminders

### PSD Lockdown Drill Week set for Nov. 1-5

During the week of Nov. 1-5, all Poudre School District schools will participate in lockdown drills. The following is what you can expect:

- We know we will participate in a drill that week but won't know the specific time at which it will occur.
- We will make an announcement over our intercom when the drill is underway and emphasize that it is only a drill and that there is not an active threat to our school.
- During a lockdown drill, students and staff are directed to a safe location inside the building. Exterior and interior doors, windows, and access points are closed and locked. Due to COVID protocols, students will remain at their desks or normal socially distanced positions during the drill.
- When it's completed, school staff, members of PSD's Safety and Security Department, and law enforcement officers will review how things went.
- Community members can expect to see a heavier-than-usual law enforcement presence at the schools when lockdown drills occur.

For more information: [www.psdschools.org](http://www.psdschools.org).

### Student Data Verification

We encourage parent/guardians to review and/or update their family and student information. Up to date contact information is important in order to receive communication from Johnson and Poudre School District. Updates can now be completed through [ParentVUE](#). Once you log into ParentVUE, click on the Online Registration tab on the top right corner of the screen:

Then, select 2021-2022 Family and Student Data Verification from the drop-down menu:

If applicable, parents can upload a proof of address and updated immunization record.

Please contact our office at 970-488-5000 if you have any questions, or need a hard copy of the student verification form sent home.

## Important Reminder RE: Health Protocols

Please help us keep our classrooms open for in-person learning by keeping children home if they are not feeling well. We ask that you screen your child for symptoms prior to sending him/her to school each day: [Can I go to school symptom check](#)

PSD strictly adheres to the state's [Return to Learn guidelines](#). If symptoms begin, we encourage you to be tested for COVID-19. Please notify us immediately at (970-488-5000) if any member of your household tests positive.

Visit the [PSD Health and Safety website](#) for the most up to date information regarding district COVID protocols for schools.

## COVID Protocols for Volunteers

We are so thankful for our many volunteers here at Johnson. If you are interested in volunteering, visit the [PSD Volunteer Website](#) and register to be a volunteer in PSD. Once you are approved, check with your child's teacher for volunteer opportunities.

COVID protocols in PSD for Volunteers

1. **Masks are required for all volunteers and visitors** to PSD schools and buildings. Masks are not required outside.
2. **Self-monitoring for symptoms** is required before entering a building.
3. Log into the [PSD Community Portal](#) when you volunteer or visit.
4. Then scan your badge or log in to volunteer.

Learn more about COVID protocols in PSD on the [Health and Safety web page](#).

Volunteer opportunities at schools may be designed to limit the potential for close contact as much as possible.

### Reporting if you are exposed to or have COVID

If you volunteer and experience one of the following, please report it to the school as quickly as possible so the COVID Response Team can follow district protocols for cases:

- You are identified as a close contact of an individual who tested positive or probable for COVID-19, or
- You test positive for or are considered probable for COVID-19 yourself.
- Go to the [PSD Protocols for COVID-19 web page](#) for information about returning to school.

## Johnson Parent Handbook

The Johnson Parent Handbook for the 2021-2022 School Year is available on the [Johnson website](#) under the “About Us” Tab.

The purpose of the handbook is to provide information regarding Johnson Elementary School, as well as our school’s rules and procedures in an “easy to access” format. We encourage you to read it, keep it on hand to refer to it, and let us know if you need any clarification.

Poudre School District policies and regulations (including but not limited to those in the [District’s Student Rights & Code of Conduct booklet](#)) also apply to Johnson Elementary School and are controlling over our rules and procedures if there is any inconsistency or conflict. Although this handbook may reference certain District policies and regulations, the actual language of the referenced policies and regulations is controlling over the language in this handbook. District rules and regulations change over time. We will update you as new information becomes available. If you have any questions, feel free to call 488-5000 or visit the main office of Johnson Elementary School.

## Johnson Representative needed for the District Advisory Board

We would like to have a representative from the Johnson parent community for the PSD District Advisory Board. The District Advisory Board advises the district on a number of issues and is made up of parent representatives from each school and acts as a link between the community and the district.

The DAB gives parents an opportunity to interact and engage with the district. If you are interested in being a DAB representative for your school, please contact your principal.

Please see the [DAB bylaws](#) and [representative responsibilities](#) documents for more information.

Meetings are usually held the first Monday of the month, from 7 to 9 p.m. at the Johanssen Support Services Center, 2407 Laporte Avenue.

## Before and After School Enrichments

### Thunderbird Choir

Thunderbird Choir has started for 4<sup>th</sup> and 5<sup>th</sup> grade students. To follow the school district's COVID rules and guidelines, we will have separate practices:

- 5<sup>th</sup> Grade Choir - Mondays from 7:45 a.m. to 8:30 a.m.
- 4<sup>th</sup> Grade Choir - Wednesdays from 7:45 a.m. to 8:30 a.m.

All practices will be in the music room and students may enter from the outside music door, which is closest to the 2nd grade classrooms. Music teachers are waiting to hear back from the district about performances. In any case, we will at least have virtual performances. Please look out for papers with more information about choir to come home in the beginning of September. I am overjoyed to direct Johnson Thunderbirds again in choir!
