Principal's Corner

Dear Johnson Families,

Welcome to 2022! I hope you all had a wonderful Winter break filled with family, fun, rejuvenation, and good health. Thank you to all families for your support in December. We appreciate all families who donated to support the holidays for families in need.

January brings our school of choice season. First consideration for school of choice closes on January 20th. We have our kindergarten open house on January 13th from 6-7 pm. If you know a family with a kindergartener, please let them know about this evening. We should have room in our kindergarten next year for school of choice students. We also have our mid-year NWEA/Maps testing happening for 3rd – 5th graders and our language testing for English Language learners occurring as well.

Our School Accountability and Advisory Committee meets again this month on January 12th from 6-8 pm in our media center. A new support to families sponsored by this committee are little bits of wisdom on parenting. Below, I have included 50 ways to engage your child in conversation about their day. I love this list of questions because it sparks great conversation with your children. I have heard multiple times that children often give one-word answers to a parent/guardian's questions about their day. These are open ended questions that should get a conversation going. I hope you will try them out.

Finally, thank you for doing all you are doing as a community. We appreciate your support, and we appreciate how you all have risen to the continued

Thunderbird PRIDE

Happy New Year! We are very excited to welcome back students to a new semester of learning in 2022! As we settle back in together, we always like to take some time to remind students of our Thunderbird PRIDE behavior expectations. Please ask your child to tell you what PRIDE stands for, what PRIDE behavior looks like, as well as the different places around the campus where students can show Thunderbird PRIDE every day at Johnson. When students feel proud of their behavior, they can more easily focus on and experience success with their academic and social demands.

This past December, we paid specific attention to PRIDE behavior during lunch time, and students were caught practicing expected Thunderbird behavior over 800 times, which was very encouraging. In January, our focus will be on PRIDE behavior in the hallways (especially during transition times), and all classes will be vying for a chance to get their names listed on a special "Hall of Fame" poster that will be revealed, with some fanfare, in February.

Assessments

This month (January 10th-14th), we will be administering Winter MAPs (Measures of Academic Progress) for students in grades 3-5. These important tests in Math and Reading help to measure each student's academic growth throughout the school year and over time. This information helps guide teacher instruction and personalize learning. For more information about MAPs assessments, please click and download this [Family Guide](#). Please let me know if you have any questions about W

If you know of anyone who may be interested in applying to Johnson for School Choice during PSD's School of Choice application period, we'd love for you to share the following information with them:

- School of Choice first-consideration application period deadline to apply: noon Jan. 21, 2022

Student Data Verification

We encourage parent/guardians to review and/or update their family and student information. Up to date contact information is important in order to receive communication from Johnson and Poudre School District. Updates can now be completed through ParentVUE. Once you log into ParentVUE, click on the Online Registration tab on the top right corner of the screen:

Then, select 2021-2022 Family and Student Data Verification from the drop-down menu:

A screenshot of a web form. At the top, it says 'Please select the school year you are enrolling students in:'. Below this is a white drop-down menu with a downward arrow on the right. The selected option is '2021-2022 Family and Student Data Verification'.

If applicable, parents can upload a proof of address and updated immunization record.

Please contact our office at 970-488-5000 if you have any questions or need a hard copy of the student verification form sent home.

I Matter

[I Matter](#) - Every Colorado youth is eligible for three free therapy sessions. Youth and their parents can visit the [I Matter platform](#) to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth. State law allows youth ages 12 and up to use the platform independently; youth ages 11 and younger will need their parent or guardian's consent to sign up. Learn more on the [I Matter website](#).

Important Reminder RE: Health Protocols

Please help us keep our classrooms open for in-person learning by keeping children home if they are not feeling well. We ask that you screen your child for symptoms prior to sending him/her to school each day: [Can I go to school symptom check](#)

PSD strictly adheres to the state's [Return to Learn guidelines](#). If symptoms begin, we encourage you to be tested for COVID-19. Please notify us immediately at (970-488-5000) if any member of your household tests positive.

Visit the [PSD Health and Safety website](#) for the most up to date information regarding district COVID protocols for schools.

COVID Protocols for Volunteers

We are so thankful for our many volunteers here at Johnson. If you are interested in volunteering, visit the [PSD Volunteer Website](#) and register to be a volunteer in PSD. Once you are approved, check with your child's teacher for volunteer opportunities.

COVID protocols in PSD for Volunteers

1. **Masks are required for all volunteers and visitors** to PSD schools and buildings. Masks are not required outside.
2. **Self-monitoring for symptoms** is required before entering a building.
3. Log into the [PSD Community Portal](#) when you volunteer or visit.
4. Then scan your badge or log in to volunteer.

Learn more about COVID protocols in PSD on the [Health and Safety web page](#).

Volunteer opportunities at schools may be designed to limit the potential for close contact as much as possible.

Reporting if you are exposed to or have COVID

If you volunteer and experience one of the following, please report it to the school as quickly as possible so the COVID Response Team can follow district protocols for cases:

- You are identified as a close contact of an individual who tested positive or probable for COVID-19, or
- You test positive for or are considered probable for COVID-19 yourself.
- Go to the [PSD Protocols for COVID-19 web page](#) for information about returning to school.

Johnson Parent Handbook

The Johnson Parent Handbook for the 2021-2022 School Year is available on the [Johnson website](#) under the “About Us” Tab.

The purpose of the handbook is to provide information regarding Johnson Elementary School, as well as our school’s rules and procedures in an “easy to access” format. We encourage you to read it, keep it on hand to refer to it, and let us know if you need any clarification.

Poudre School District policies and regulations (including but not limited to those in the [District’s Student Rights & Code of Conduct booklet](#)) also apply to Johnson Elementary School and are controlling over our rules and procedures if there is any inconsistency or conflict. Although this handbook may reference certain District policies and regulations, the actual language of the referenced policies and regulations is controlling over the language in this handbook. District rules and regulations change over time. We will update you as new information becomes available. If you have any questions, feel free to call 488-5000 or visit the main office of Johnson Elementary School.

Johnson Representative needed for the District Advisory Board

We would like to have a representative from the Johnson parent community for the PSD District Advisory Board. The District Advisory Board advises the district on a number of issues and is made up of parent representatives from each school and acts as a link between the community and the district.

The DAB gives parents an opportunity to interact and engage with the district. If you are interested in being a DAB representative for your school, please contact your principal.

Please see the [DAB bylaws](#) and [representative responsibilities](#) documents for more information.

Meetings are usually held the first Monday of the month, from 7 to 9 p.m. at the Johannsen Support Services Center, 2407 Laporte Avenue.

Before and After School Enrichments
