Principal's Corner

Dear Johnson Families:

February brought much fun. Thank you all for supporting our different classroom and school events. Our celebration of 2-22-22 brought much laughter for the day! We are also well on our way to selecting a new mascot. Thank you all for your support in this new opportunity!

March brings our time to plan for next school year. We are currently looking at our projected enrollment, our budget allocation, and planning for staffing for next school year. We appreciate when families send back their intent for next school year. This also informs our planning. We use an interest-based solutions model to make decisions about how we will use our allocated budget. Our School Accountability and Advisory Committee (meets March 9th) gives input on what interests our community might have, and our shared leadership team (meets March 10th) gives input from our staff. We then create a balanced budget that meets as many interests as possible. Our plan goes to our district leadership for approval. Additionally, we do have staff changes for next school year. Both Mr. Jim Rumbold and Ms. Becky Hunter are retiring at the end of this school year. They will certainly be missed.

Our Spring conferences are coming up and usually happen sometime after Spring break. Unlike our fall conferences, we do not necessarily conference with all families. We conduct spring conferences when a family requests one or the teacher reaches out for a conference. Please connect with your child's teacher if you would like a spring conference. We should have dates set soon for these conferences.

In closing, thank you for all you do for Johnson and your children. You make Johnson a great place to be.

Sincerely,

Georgie Dawson, Principal

Awesome Assembly!

The PBIS team was very excited to release our latest virtual assembly for students to watch in their classrooms on Friday, February 25th. Our Johnson PRIDE Assemblies have become extremely popular with students, and our latest virtual assembly was watched with great interest last week. The video highlighted several awards given out to students and classrooms, the Johnson PRIDE Cheer (featuring students in kindergarten), and a special message from the CSU girls Volleyball team. You can watch the assembly by clicking [here](#) and then open the PRIDE Assembly link for February 2022.

Johnson's Conflict Resolution Practices

Throughout the school year, it is typical for students to experience peer conflict. During these testy moments, we support students and staff by employing several practices to ensure a peaceful resolution for all, and to prevent any type of bullying from taking root. Of course, the most important step is for students to talk to someone about what is happening. Depending on the conflict, we might suggest a simple game of "Rock, Paper, Scissors" to solve an argument, or a more thoughtful peer mediation to build mutual agreements. Students can complete "I-message" and "Apology" forms with the oversight of a staff member. Lastly, our school counselor, Mr. Allen, provides insightful sessions on resolving peer conflict with every class. All these approaches help build healthy communication and respectful responses at Johnson, and our goal is that every child feels safe and supported when dealing with peer conflict.

Poudre School District has a zero-tolerance policy towards bullying behavior, be it physical, verbal, or relational. In the case of bullying, our discipline approach is adjusted to focus on making sure that the bullying stops. It is important to note

the difference between typical peer conflict and bullying is to remember that bullying is a combination of the following three factors:

1. It is mean
2. It is repeated
3. It is one-sided (imbalance of power)

Thank you for your support in communicating any concerns or questions that you may have about student conflicts or bullying.

Just Around the Corner – State Testing

The Colorado Measures of Academic Success (CMAS) assessments will take place in April this year (the testing schedule is now posted on the school website). Students in 3rd, 4th, and 5th grade will be assessed in Math and English Language Arts. This year, 5th grade students will also take Science tests.

To excuse your student from state assessments, you may complete a Parent Excusal form digitally by logging into [ParentVUE](#) and accessing Services Tracker. Instructions and screenshots on how to do this can be found [here](#). Please note that you will need to fill out a form for each subject area. Please let me know if you have any questions. For more information from the Colorado Department of Education, please visit the following link: <https://www.cde.state.co.us/assessment/cmas>

Thank you for all your support.

School Registration Information

Registration for new students and students returning to PSD

All new and returning K-12 students register at their neighborhood school. You can find your neighborhood school on the [School Locator web page](#).

- Kindergarten students must be five and first-grade students must be six on or before Oct. 1. ([Superintendent's Policy JEB](#)). [Learn more about kindergarten registration >>](#)
- Returning students are students who left PSD and are returning back to a PSD school. **Current PSD students do not need to re-register every year to go back to the same school.**

Students wishing to attend a school outside their attendance area must submit a [School Choice application](#).

Online registration available for new and returning students

- To enroll new students in a PSD school, please visit the [PSD Online Registration web page](#).
- If you have questions about registration, please call the school your child will be attending.

Registration for PSD students moving to a new school

Current PSD students who are moving to a new school should contact their current school to withdraw and their new school to register. Students moving from elementary to middle school and middle school to high school do not have to contact their schools. Fifth grade students are pre-registered at their neighborhood feeder middle school in February. Contact each middle school for registration details.

ParentVUE – PSD Student Information System

Parents/guardians access grades, attendance, schedules and other student information through the Synergy parent portal. Complete secure login through the [ParentVUE/StudentVUE portal](#) or through the apps, which can be downloaded from the [iTunes Store](#) and [Google Play](#).

Parents/guardians can only see their student's information. Parents/guardians must have "educational rights" to access ParentVUE. Once educational rights are reflected in Synergy, parents will receive an email with a user activation code.

Learn how to access and/or activate your account on the ["Accessing and Activating a ParentVUE Account" web page](#). If you have questions, refer to the "Frequently Asked Questions" posted below or contact your school.

Student Data Verification

We encourage parent/guardians to review and/or update their family and student information. Up to date contact information is important in order to receive communication from Johnson and Poudre School District. Updates can now be completed through ParentVUE. Once you log into ParentVUE, click on the Online Registration tab on the top right corner of the screen:

Then, select 2021-2022 Family and Student Data Verification from the drop-down menu:

A screenshot of a web form. At the top, there is a text prompt: 'Please select the school year you are enrolling students in: *'. Below this prompt is a white drop-down menu box with a downward-pointing arrow on the right side. The text inside the menu box is '2021-2022 Family and Student Data Verification'.

If applicable, parents can upload a proof of address and updated immunization record.

Please contact our office at 970-488-5000 if you have any questions or need a hard copy of the student verification form sent home.

Johnson Parent Handbook

The Johnson Parent Handbook for the 2021-2022 School Year is available on the [Johnson website](#) under the “About Us” Tab.

The purpose of the handbook is to provide information regarding Johnson Elementary School, as well as our school’s rules and procedures in an “easy to access” format. We encourage you to read it, keep it on hand to refer to it, and let us know if you need any clarification.

Poudre School District policies and regulations (including but not limited to those in the [District’s Student Rights & Code of Conduct booklet](#)) also apply to Johnson Elementary School and are controlling over our rules and procedures if there is any inconsistency or conflict. Although this handbook may reference certain District policies and regulations, the actual language of the referenced policies and regulations is controlling over the language in this handbook. District rules and regulations change over time. We will update you as new information becomes available. If you have any questions, feel free to call 488-5000 or visit the main office of Johnson Elementary School.

Johnson Representative needed for the District Advisory Board

We would like to have a representative from the Johnson parent community for the PSD District Advisory Board. The District Advisory Board advises the district on a number of issues and is made up of parent representatives from each school and acts as a link between the community and the district.

The DAB gives parents an opportunity to interact and engage with the district. If you are interested in being a DAB representative for your school, please contact your principal.

Please see the [DAB bylaws](#) and [representative responsibilities](#) documents for more information.

Meetings are usually held the first Monday of the month, from 7 to 9 p.m. at the Johansen Support Services Center, 2407 Laporte Avenue.

I Matter

[I Matter](#) - Every Colorado youth is eligible for three free therapy sessions. Youth and their parents can visit the [I Matter platform](#) to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth. State law allows youth ages 12 and up to use the platform independently; youth ages 11 and younger will need their parent or guardian's consent to sign up. Learn more on the [I Matter website](#).

Before School Enrichment

Thunderbird Choir

Thunderbird Choir has started for 4th and 5th grade students. To follow the school district's COVID rules and guidelines, we will have separate practices:

- 5th Grade Choir - Mondays from 7:45 a.m. to 8:30 a.m.
- 4th Grade Choir - Wednesdays from 7:45 a.m. to 8:30 a.m.

All practices will be in the music room and students may enter from the outside music door, which is closest to the 2nd grade classrooms. Music teachers are waiting to hear back from the district about performances. In any case, we will at least have virtual performances. Please look out for papers with more information about choir to come home in the beginning of September. I am overjoyed to direct Johnson Thunderbirds again in choir!
