

## Thunderbird Update – May 19, 2022

Dear Johnson Families,

This is our last weekly update for this school year. So many exciting things happening these last few days of school. Thank you to our amazing parents for helping support us.

### Family Fun Night moved indoors – Friday, May 20

#### Field Day moved to – Monday, May 23

The Family Fun Night is still on Friday, May 20<sup>th</sup> from 6:30-9:30 pm or when the movie is over and has been moved indoors. As you know, we needed to move Field Day to Monday, May 23<sup>rd</sup> due to the weather forecast on Friday. Monday does look rainy, but it will be much warmer. We sincerely appreciate your understanding and attempts to work with us as we try to add as much fun as possible for the students at the end of the year.

We've created NEW signups as we realize these changes really do impact schedules. If you signed up to help with Field Day and/or Family Fun Night previously, ***you will need to sign up again.***

Thank you, as always, for your continued support! Without our incredible community, events like these just wouldn't be possible.

### Lost and found

- If medications need to be picked up before the last day of school, make arrangements with the school nurse or health tech.
- Emergency or as-needed medications (Epi-pens, Tylenol, Inhalers, etc.) must also be picked up.
- The school nurse will follow state health department procedures and all medications not picked up will be disposed of properly.

## In case you Missed it

### Free and Reduced Meal Program

It's not too late to apply for the Free & Reduced Meal Program for this school year. By doing so your student's approval to the program carries over for the first 30 days of next school year. Also, there are advantages to being on this program with discounts given throughout our community for student summer programs. Check out [fcgov.com/reducedfee](http://fcgov.com/reducedfee) website for more information. The before and after school program, AlphaBest, also gives a 15% discount. Apply on-line at [www.myschoolapps.com](http://www.myschoolapps.com). Please note that August 1, 2022, is the first day you can apply online for the 2022-2023 school year. Families do have to apply each school year unless they receive a letter stating otherwise.

### Registration for kindergarten is now open, [start here](#).

Kindergarten is an exciting and important first step on your student's educational journey. In PSD, you'll find students are supported in many ways with caring teachers and staff, positive school, and classroom culture, as well as a collaborative, safe and welcoming learning environment.

Kindergarten offers:

- Small class sizes
- Structured, rigorous, play-based curriculum
- Kindergarten is free
- Social and emotional learning experiences

Children must be 5 years old on or before Oct. 1, 2022, to be registered for kindergarten in the 2022-23 school year.

## PSD now accepting Bus Requests for the 2022-23 School year

Poudre School District aims to transport as many students as possible to and from school. To ensure that families needing transportation receive this service, **riders must now apply for busing each year, even if they've had busing before.**

Families may request transportation [online here](#). Submitting a request is not a guarantee of services. Even with ongoing recruiting efforts and the hiring of additional bus operators, PSD is still busing fewer students than in previous years because of a reduction in routes due to the ongoing driver shortage.

### What you need to know when submitting a request

- Transportation will be provided automatically to all students who qualify for transportation through the Individuals with Disabilities Education Act (IDEA), the McKinney-Vento program, or foster placement. Students who meet these criteria need NOT apply.
- Busing is NOT provided for students who attend a school of choice or PSD-authorized charter school. If your student is eligible for busing at their neighborhood school but is switching to a school of choice, they will not receive busing.
- Alternate bus requests will not be accepted for [students in the walk area](#) or for multiple addresses.
- PSD is opening the new Wellington and Timnath middle/high schools in August.
  - Incoming freshmen and sophomores who currently attend Poudre High School or Fossil Ridge High School but live in the Wellington or Timnath attendance areas will not be eligible for busing to Poudre or Fossil.

### After you submit a request

- Families will be notified around the week before school starts if their student is scheduled to receive busing starting the first day of the 2022-23 school year.
- Bus-eligible requests submitted by July 15 should be ready for the start of school. Bus-eligible requests submitted after July 15 may not be approved until after the first day of school.
- Students who do not ride their assigned bus for two consecutive weeks may be removed from the bus route to make space for other eligible students.

**Questions?** Visit the [Transportation FAQs](#) webpage or email [busrequest@psdschools.org](mailto:busrequest@psdschools.org).

Thank you for your partnership. It is our honor to safely transport your student.

Sincerely,  
Poudre School District Transportation
