P.E.

Below is the link to volunteer for our Bike Rodeo week. Ms. Kaiser still needs quite a few volunteers! You are welcome to sign up for more than one class as well. As a volunteer, you could be helping the bike mechanics put air in tires, acting as a pedestrian in one of our courses, helping students learn to balance/ride a bike or just monitoring a course!

Even if you are not able to sign up for a time slot, **please look at the sign-up genius** as the **sign up outlines the day certain classes need to bring their bikes (and helmets) to school**. On the day of their bike rodeo, students will take their bikes to the primary playground and leave it in their grade level "lane." We utilize the class bike lane system, so the bikes are easily accessible when we are ready to start the course. We always have someone outside so the bikes are monitored. If a student is unable to bring a bike to school on their designated day, we will have bikes for students to use. Thank you for your help and please reach out if you have any questions!
