Youth Art Show

Youth Art Month is the month of March! To celebrate, Johnson will have our annual art show the entire month of March. Every student will have at least one work of art on display. Closing night is from 4:00 PM to 5:00 PM on Friday, March 31st. Please plan to come see your child's art, take it down, and take it home with you on closing night.

Doodle for Google

This year's Doodle for Google theme is **I am grateful for...**

Taking a step back to think about what we're grateful for can be a great way to take care of our mental health and refocus on what's most important. What moments, people, places and things are special to you? What or whom can you not imagine living without? What are the things that get you through the day? Our theme this year encourages you to share what you appreciate most. [Enter a Doodle](#)

Prizes: Win a \$30,000 college scholarship, a \$50,000 tech package for your school/n0n-profit organization, and your artwork displayed for a day (24 hours) on Goolgle.com!

If you would like Mrs. Felder to mail your entry for you, please submit your doodle to her by Tuesday, February 28.

We hope everyone will join the Kids Heart Challenge and learn the life-saving skill of hands-only CPR.

5210+

5210+ starts February 1st and will end February 28th!

Students will be receiving a tracking log to track better healthy habits for the month of February! The goal is to try to get:

5 servings of fruits and vegetables

2 hours or less of screen time

1 hour of activity

0 sugary drinks

+ 9 or more hours of sleep

EVERY DAY!!!

Each day students and families can check the box for each healthy habit they complete!
If you get 80 checks, you will get a t-shirt!

Logs will be due through the link on the bottom of the tracking sheet by March 5th.

School Gear

We have opened the school gear link again. Place orders [here](#). We will be accepting orders will Monday, March 13th. Your gear will be delivered approximately 3 weeks after the closing date.

If you have any questions, please contact me at rtovar@psdschools.org

Outdoor Recess Guidelines

As a gentle reminder, Colorado brings ever changing weather. Please make sure your child brings the appropriate gear to go out and play. The children love playing in the snow at recess and have such a great time with this. Our temperature cut point for going out is 10 degrees. We do watch for windchill and factor this in. In other words, if the temperature is 20 degrees but windchill says it feels like 7 degrees, we keep the children inside.

Student Pick-up During the School Day/Late Arrival

If your child arrives late to school (after 8:50 AM) and teacher has already closed her outside classroom door, please walk your student(s) to the main front door near the office. Office staff will ask you to sign your student in.

If you need to pick your student(s) up during the school day – please call the main office (970-488-5000) when you are on your way to the school (5 to 10 min away). We will have your student ready and waiting for you to sign out at the main entrance.
